WELCOME TO THE ATRIUM ACADEMY

We would like to welcome you to the Atrium Academy of Hairdressing and Beauty Therapy.

Here at the Academy you can expect the highest standard of client care from our staff and trainees. The trainees are fully supervised throughout your service and will do their very best to accommodate your needs.

We would like to explain that due to the nature of the training your service may take a little longer than you would usually expect in a high street salon, this is due to requirements of their qualification.

When you arrive you will be greeted by either our highly qualified receptionist or one of our trainee receptionists and booked in for your service or treatment. You will be offered refreshments and magazines whilst you wait to be taken through to one of our beautiful salons. You could also browse our range of retail products with a view to purchasing for home care between services.

There are ranges of loyalty schemes available to you so please ask the receptionist for details of these.

We at the Academy pride ourselves on excellence and welcome client feedback. If you would like to give feedback on any aspect of your experience with us please speak to the receptionist who can direct you to the appropriate member of staff.

If you are booking for any colouring/tinting service, eyelash tinting/perming it is mandatory by law that a skin test is carried out and recorded 48hrs prior to all colour services.

- Semi-permanent colour
- Permanent colour
- Highlights/lowlights using tint
- Eyelash tinting and perming

Please be aware that we will not be able to carry out these services if you have not attended for a skin test.

Please note we do not accept clients under the age of 14 years.

Please enjoy your visit.
