

# LEARNING ZONE

Reading and Writing  
Maths  
Information Technology  
Research and Planning

## How can the Learning Zone help you?

The Learning Zone is the place to be if you want to improve your skills in:

**Reading and Writing**

**Maths**

**Information Technology**

**Research and Planning**

## We can also help you:

Improve your grades by helping you to understand and work towards completion of your assignments

Boost your learning with specialist software

If you have additional learning needs such as dyslexia, dyspraxia and visual impairment

## One-to-one support:

Arrange to meet a learning mentor on a one-to-one basis at a time convenient for you and the learning mentor.

## Drop-in:

Drop-in anytime between 9am - 5pm (9am-3pm Thursday) and get support

You can just turn up.

## Half term workshops:

You can even come along to our workshops during the half term holidays. Look on College noticeboards for times and dates.

## Specialist software sessions:

Our range of specialist software can help to boost your learning. This includes Dragon Naturally Speaking (voice recognition software that allows you to dictate your work onto a computer) and Read and Write software (reads your work out to you).

Book a session with a learning mentor if you want help to find the right software.

## Paper-based and online resources in the Learning Zone include:

- Workbooks with tasks to improve your reading, writing, grammar and punctuation
- Numeracy workbooks
- BBC Skillswise worksheets and factsheets
- Easy reader books
- Dictionaries and thesauruses
- Specialist software (see a member of staff for a full list)
- Specialist equipment
- GCSE Maths and English materials

## What do I do next?
