

# e-skills in the learning environment

## Level 2 OCN accredited course in e-learning techniques and methodologies

4pm – 6pm Thursday afternoons starting 28th April for 9 weeks at Tower Hamlets College Poplar Centre

The course covers a range of methods to help equip teachers and support staff with the skills to successfully harness available technologies and enhance learning. Some of the areas the course will cover include;

- Getting the most from Interactive whiteboards
- Fully Utilising a Virtual Learning Environment
- Quiz tools and electronic voting systems
- Online tutoring
- Using audio and video to enhance teaching and learning
- Creating dynamic and interactive teaching materials

The course takes a blended approach, attendees must be committed to fulfilling the assessment criteria by completing weekly tasks and assignments during the session and independently.

Candidates must be computer literate and be able to demonstrate the ability to perform basic tasks such as browsing the internet, word processing, managing files and using email.

The course fees are £250

For further details or to book a place on the course please email [elearning@tower.ac.uk](mailto:elearning@tower.ac.uk)
